Keep out of the reach of children.

Do not use if cap seal is broken. Store in a cool dry place.

The grape extract contained in this product has a high antioxidant activity, measured in 4803 μ mole TE/g ORAC (Oxygen Radical Absorbance Capacity). It is one of the richest known sources of Anthocyanins and Polyphenols (including Resveratrol). These are powerful antioxidants which may limit cell damage caused by free radicals while helping to keep artery walls flexible, an important part of circulatory system well being. Resveratrol promotes a healthy heart, mind and body.Δ
